The Site Labourer works under the direction of the designated Supervisor and works with other employees within the company to ensure safe work practices and policies, compliances and regulations are adhered. The Site Labourer will be required to perform various tasks involving physical labour at the Work Site.

Main responsibilities will include; site and plant cleanup, inspections, mechanical maintenance work, heavy equipment operation, assist plant and equipment operators.

The Site Labourer will work closely with facility staff to create a positive and safe working environment, be a resource to management and facility staff for health and safety information and promote health and safety programs in the workplace.

- Minimum Education: High School or equivalent.
- Licence: Valid Class 5 driver's licence and access to reliable transportation.
- Language: English.

Core Job Duties

- Support and promote safety and health projects and initiatives.
- Facility cleanup.
- Daily plant cleanup and inspection.
- Daily mechanical maintenance and servicing of the plant.
- Maintenance duties during shut down periods.
- Operate water truck and pump for site dust control.
- Assist Plant Operator (as required).
- Mechanical assistance (as required).
- Heavy equipment operation i.e. Skid-steer loader / forklift / aerial platform.
- Complete pre/post inspections on all tools and equipment.
- Confined Space Attendant duties.
- Fire Watch duties.
- General labour duties as required.
- Participate in required training programs including, but not limited to, WHMIS, TDG, confined space entry and rescue, fall protection, fire extinguisher use, first aid, mobile equipment awareness, aerial work platform, etc.
- Other duties, as assigned.

About Princeton

Princeton, one of the sunniest places in BC, sits at the junction of the Similkameen and Tulameen rivers in the South Okanagan, East of the Cascades. The mountains, valleys, and hundreds of kilometers of backcountry roads are a beautiful natural setting for year-round outdoor activities. The rivers and lakes are excellent for tubing, kayaking, swimming or trout fishing. The nearby Kettle Valley Rail Trail is great for hiking and cycling.

Other amenities in Princeton include an outdoor pool, arena, curling club, bowling alley, golf course, basketball court, splash park, skate and bike park, community centre, theatre, library, and museum. For the hockey enthusiast, Princeton is the home of the Princeton Posse, a junior hockey club. There is also a regional airport, a riding club, music society, garden club, ATV club and many other organizations to get involved with.
