

## JOB POSTING

### **Position**

Fuel & Lube Technician ( F&L Technician)

Wage: \$32/ Hour

### **Work Site**

Envirogreen Technologies Ltd. Contaminated Waste Treatment Facility is located approximately 20 KM Southwest of Princeton, B.C. V0X 1W0.

### **About Envirogreen Technologies**

Envirogreen Technologies Ltd. (ETL) is an established waste management company, leading the way in the treatment of hazardous and non-hazardous wastes. Our permitted hazardous waste treatment facility located outside of Princeton, BC, utilizes thermal desorption technology to treat a wide range of industrial waste and contaminated soil.

### **The Opportunity**

ETL is looking for a motivated Fuel & Lube Technician with proven experience to join our team.

The F&L Technician works under the direction of the Operations Supervisor and any assigned Supervisors/Managers and works with other employees within the company to ensure safe work practices and policies, compliances and regulations are adhered.

Main responsibilities will include fueling & greasing site heavy equipment, inspections, regular scheduled services, and minor repairs.

The F&L Technician will work closely with facility staff to create a positive and safe working environment, be a resource to management and facility staff for health and safety information and promote health and safety programs in the workplace.

- Minimum Education: Secondary School Diploma or equivalent required
- License: Valid Class 5 driver's license and access to reliable transportation
- 3-5 years' experience in a similar role
- Solid work history and attendance record
- Ability to promote and enforce company's PPE and site indoctrination requirements

### **Core Job Duties**

- Employee required to complete pre/post inspections on all tools and equipment
- Responsible for fueling equipment
- Follow contamination control and HAZMAT rules and regulations

- Perform scheduled service on all combustion powered facility equipment
- Perform service and minor repairs on all combustion powered facility equipment in a timely and safe manner
- Report all equipment mechanical deficiencies for maintenance and repair scheduling
- Maintain mechanical workshops and storage facilities in a clean, organized and safe manner
- Maintain an equipment service, maintenance and repair record
- Responsible for tool inventory
- Maintain suitable inventory of all needed supplies for regular servicing of all site mobile equipment
- Be able to work in a team environment
- General labour duties as required
- All other duties as requested by supervisor or manager

Qualified applicants should visit Envirogreen Technologies website: [www.envirogreentech.com](http://www.envirogreentech.com)

This safety-sensitive position must be filled immediately. Pre-employment drug and alcohol testing is required for this safety-sensitive position as immediate site access is required.

### **About Princeton**

Princeton, one of the sunniest places in BC, sits at the junction of the Similkameen and Tulameen rivers in the South Okanagan, East of the Cascades. The mountains, valleys, and hundreds of kilometers of backcountry roads are a beautiful natural setting for year-round outdoor activities. The rivers and lakes are excellent for tubing, kayaking, swimming, or trout fishing. The nearby Kettle Valley Rail Trail is great for hiking and cycling.

Other amenities in Princeton include an outdoor pool, arena, curling club, bowling alley, golf course, basketball court, splash park, skate and bike park, community centre, theatre, library, and museum. For the hockey enthusiast, Princeton is the home of the Princeton Posse, a junior hockey club. There is also a regional airport, a riding club, music society, garden club, ATV club and many other organizations to get involved with.

This safety-sensitive position must be filled immediately. Pre-employment drug and alcohol testing is required for this safety-sensitive position as immediate site access is required.

Please note, the salary range mentioned in this job posting should serve as a guide. The final compensation offered may vary based on a variety of factors including bonuses and/or incentives, or a candidate's skills and experience. Envirogreen Technologies Ltd. is committed to providing a fair, equitable, and competitive rewards package that reflects the value an individual brings to our organization.

Envirogreen Technologies Ltd; is an equal opportunity employer, and we do not discriminate on the basis of race, religion, color, national origin, sex, gender, gender expression, sexual orientation, age, marital status, veteran status, or disability status.
