

JOB POSTING

Position

Health and Safety Coordinator

Wage 35.00 to 37.00/Hour with guaranteed OT as part of 7 on 7 off rotation.
(Permanent Full Time)

Work Site

Envirogreen Technologies Ltd. Contaminated Waste Treatment Facility is located approximately 20 kilometers southwest of Princeton, BC.

About Envirogreen Technologies

Envirogreen Technologies Ltd. (ETL) is an established waste management company, leading the way in the treatment of hazardous and non-hazardous wastes. Our permitted hazardous waste treatment facility located outside of Princeton, BC, utilizes thermal desorption technology to treat a wide range of industrial waste and contaminated soil.

The Opportunity

ETL is looking for a Health and Safety Coordinator to join our team. The Health and Safety Coordinator works under the direction of the Health and Safety Manager and works with Supervisors and other employees within the company to ensure policies, safe work practices, safe work procedures, and regulations are adhered.

The job duties include:

- Active involvement in morning pre shift meetings (toolbox).
- Issue Confined Space Entry Permits, and if required assist in confined space entry activities.
- Conduct and document workplace and equipment inspections.
- Conduct new hire onboarding.
- Conduct site tours for new hires.
- Provide health and safety guidance for workers.
- Intermediate First Aid coverage.
- Assist with incident investigations.
- Participate in training in Personal Protective Equipment (PPE) Basics, Workplace Hazardous Material Information System (WHMIS), Transportation of Dangerous Goods (TDG) Regulation, confined space entry and rescue, fall protection, fire extinguisher, mobile equipment awareness, aerial platform training, and any other training assigned by the employer.
- Complete pre/post inspections on all tools and equipment.
- All other duties as requested by the Supervisor or Manager.
- Working in consultation with staff for the purpose of preliminary development of SOP's and SWP's.
- Assist the H&S Manager with annual Large COR Maintenance Audits.

- Assist in the planning and implementation of annual emergency response systems testing.
- Conduct daily H&S audits as outlined in ETL's H&S policies and procedures.

Requirements

- Successful completion of high school or equivalent diploma
- Minimum 3 years' experience in construction or other industrial setting
- Minimum CSO (Construction Safety Officer) certification
- Willingness to work towards obtaining NCSO (National Construction Safety Officer) designation
- Experience in SiteDocs digital occupational H &S management program is preferred
- Intermediate First Aid (formerly known as OFA 2) or willingness to undertake this training
- Valid driver's license and access to a reliable vehicle
- Proficiency in Microsoft Office
- Proficiency in written and spoken English, including professional communication skills
- Approachable, considerate, respectful, good listening skills, and collaborative
- Energetic, self-motivated, creative, and a positive outlook

What We Offer

ETL has a competitive compensation plan including health benefit package, group retirement savings program, onsite and offsite training, and PPE allowance.

Work Conditions

- High noise areas – hearing protection may be required
- High dust levels – respiratory protection may be required
- Hazardous materials – proper PPE selection for task required
- Weather conditions – position is outdoors 12 months/year
- Heavy lifting
- Repetitive movement
- Equipment elevation changes
- Work at height
- Confined space

Qualified applicants to send resume to Envirogreen Technologies Ltd. at:

careers@envirogreentech.com and visit www.envirogreentech.com for more information about the company.

This safety-sensitive position must be filled immediately. Pre-employment drug and alcohol testing may be required for this safety-sensitive position as immediate site access is required.

About Princeton

Princeton, one of the sunniest places in BC, sits at the junction of the Similkameen and Tulameen rivers in the South Okanagan, east of the Cascades. The mountains, valleys, and hundreds of kilometers of backcountry roads are a beautiful natural setting for year-round outdoor activities. The rivers and

lakes are excellent for tubing, kayaking, swimming, and trout fishing. The nearby Kettle Valley Rail Trail is great for hiking and cycling.

Other amenities in Princeton include an outdoor pool, arena, curling club, bowling alley, golf course, basketball court, splash park, skate and bike park, community centre, theatre, library, and museum. For the hockey enthusiast, Princeton is the home of the Princeton Posse, a junior hockey club. There is also a regional airport, a riding club, music society, garden club, ATV club, and many other organizations of interest.

Envirogreen Technologies Ltd; is an equal opportunity employer, and we do not discriminate on the basis of race, color, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, age, and other grounds protected by law.

Please note, the salary range mentioned in this job posting should serve as a guide. The final compensation offered may vary based on a variety of factors including bonuses and/or incentives, or a candidate's skills and experience. Envirogreen Technologies Ltd. is committed to providing a fair, equitable, and competitive rewards package that reflects the value an individual brings to our organization.
